

# RESOLUTION NO. 2603

## A RESOLUTION ESTABLISHING SOLID WASTE COLLECTION FEES AND RESCINDING RESOLUTION NO. 2569

### THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. The Troutdale City Council approved a franchise agreement with Waste Management of Oregon on November 10, 2015. The franchise agreement specifies the terms and conditions for solid waste collection services that affect customer rates.
2. Troutdale Municipal Code 8.40.060 provides that rates for solid waste collection may be changed periodically, by resolution.
3. Solid waste collection rates were last adjusted effective August 1, 2022 by Resolution No. 2569.
4. A consultant hired by the City conducted a rate review and proposed an adjusted rate schedule.
5. Those recommended changes were reviewed, modified as necessary, and are found to be appropriate and consistent with the franchise agreement.

### NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

Section 1. The rates for solid waste collection shall be as shown in Attachment A (Solid Waste and Recycling Collection Services and Fees) and shall become effective on August 1, 2023.

Section 2. Resolution No. 2569 is rescinded effective August 1, 2023.

## Solid Waste and Recycling Collection Services and Rates

Effective August 1, 2023

The maximum allowable rates for collection services are:

### 1.0 RESIDENTIAL STANDARD SERVICES

- The monthly charge for service includes weekly collection of garbage, yard debris, and recyclables.
- All services are collected curbside of the public street in roll carts provided by Waste Management.

**5.2 Compacted**

- The compacted container rate is 2.25 times (225%) the corresponding loose container rate noted in the preceding chart for Section 5.1.

**5.3 Additional Commercial Recycling**

- The recycling collection frequency is the same as the loose container collection.
- However, the recycling container volume can be up to 1.5 times (150%) of the loose container volume.
- For example, if a customer had a 4-yard waste container collected weekly, they could have a 6-yard recycling container collected weekly.
- The additional recycling rate, detailed in the following table, is in addition to the current rate that is assessed on the loose container.

Container Size	Additional Recycling Rate for Number of Stops Per Week				
	<i>One</i>	<i>Two</i>	<i>Three</i>	<i>Four</i>	<i>Five</i>
