

TOWN HALL MEETING: REBUILDING IMAGINATION STATION

Wednesday, May 18, 2016 – 6:00pm
Sam Cox Building – 1102 E. Hist. Columbia River Hwy.

The City of Troutdale Parks Advisory Committee invites the community to join them in a discussion about rebuilding Imagination Station. The following are the topics that will be discussed:

1. Greetings! Introduction from Ryan McNaughton on the role of the Committee.
2. Ryan McNaughton to introduce Mayor Daoust to discuss the history of Imagination Station and how we got here.
3. Mayor Daoust to introduce Tim Seery to provide updates on construction time frame and rebuilding existing playground to G-2 standards.
4. Update on volunteer participation, discuss different types of construction methods. Use a contractor to rebuild the entire structure?
5. Use supervisor to oversee volunteers in the rebuilding process.
6. What changes to the current system would we like to see?
7. Develop a new design? Use the same template as what was originally constructed?
8. Remove old playground and rebuild with all new metal system?
9. Public comment.

If you love Imagination Station and can't wait to see it repaired, we would encourage you to attend and join in the discussion and show your support!
