### **A RESOLUTION APPROVING AN INTERGOVERNMENTAL AGREEMENT WITH THE CITY OF PORTLAND FOR A REGIONAL DISASTER PREPAREDNESS ORGANIZATION COORDINATED GRANT TO UPDATE EMERGENCY OPERATIONS PLANS.**

#### **THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:**

2. That by Resolution No. 2039 the City Emergency Operations Plan (EOP) was adopted March 23, 2010 to provide a framework to plan and perform its respective emergency functions during a disaster or national emergency or disaster conditions.
3. That the EOP attempts to be all-inclusive in combining the four phases of Emergency Management, mitigation activities, preparedness activities, response activities, and both short- and long-term recovery activities.
4. That emergency or disaster conditions can simultaneously affect the City and neighboring jurisdictions and it is the goal of the City that responses to such conditions are conducted in the most organized, efficient, and effective manner possible.
5. That May 12, 2015, by adopted Resolution No. 2282 the City joined the Regional Disaster Preparedness Organization (RDPO) which provides a forum and structure for advancing regional all-hazard disaster preparedness coordination and enhancing the Region's disaster-related response capabilities through developing, maintaining, and implementing a regional disaster preparedness vision, strategy, work plan, and process.
6. That the RDPO also provides a mechanism for coordinating, pursuing and managing the Department of Homeland Security (DHS) Urban Areas Security Initiative (UASI), emergency management, and other preparedness-related grant funds made available to the Region.

10. That the Three Cities Preparedness project updating the respective EOP’s is a needed, valuable, desirable, and necessary authorized public purpose and that it serves the public interest.
