Site Development Review

GENERAL INFORMATION

- Use this Form if you are developing property. (single-family & two-family dwellings exempted from this review)
- This review process allows the City and other review entitles the chance to review development proposals and
 ensure consistency with governing provisions. Applications may be approved, approved with conditions, or denied.
- Depending on the type of development, decisions are issued administratively (Type II, 45 day review period) or in a
 quasi-judicial setting with Planning Commission (Type III, 120 day review period) as the decision-making entity.
- If applying for additional land use approvals, those actions will be concurrently reviewed when possible.

Complete the information below as it re			garage and the second
Project Name: Sunny room
