Following verification of your application information and approval, a check will be mailed to the application address. Subject to available funds, subsequent months assistance payments *may* be requested via email declaring continued financial impact due to COVID-19.

Completing an application is not a guarantee of assistance, assistance is based on qualification and available funds, and only one assistance applicant is allowed per business address. Approval or disapproval of an application is at the sole discretion of the City of Troutdale and that there is no right of appeal.

The program is new and temporary, and may change over time. Please check back here for additional information.

Funds are made available by the City of Portland which established the PDX-CARES program to share and distribute the federal Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") assistance funds. The City of Troutdale through an Intergovernmental Agreement with the City of Portland is making the limited Coronavirus Relief Funds (CRF) available for utility and

rent assistance to eligible Troutdale Small Businesses.
