

The Public Safety Services Delivery Working Group (PSWG) is an ad hoc group that was created to assist in preparing for the upcoming renegotiation of Intergovernmental Agreements (IGA) with the City of Gresham for fire and emergency medical services and the Multnomah County Sheriff's Office for law enforcement services. The group is tasked with identifying what questions should be considered in preparing for the upcoming IGA renegotiations, gathering the necessary information to address those questions, and request the retention of consultants or studies to assist in the gathering of information. The PSWG will presenting their findings to the City Council later this fall.

The PSWG is a group of 7 members: 3 members from the [Public Safety and Equity Advisory Committee](#); 2 members from the [Budget Committee](#); and 2 members from the [City Council](#).
