- A description of the accomplishments.
- A final accounting of the project expenditures.

- Narrative stating how the funds were spent.
- Listing of additional sponsors of the project/program.
- Before and after photos of the project.
- Any promotional material samples (advertisements, flyers, posters, etc.). Please mention the Community Enhancement Grant as a project/program sponsor on all promotional materials.

**Selection Process and Basic Contracting Information:**

- Staff will review all applications. Proposals deemed incomplete will be given a due date to provide missing items. If the due date is not met, the proposal will be rejected.
- The CEPC will rank the eligible applications against the funding goals.
- Selection of projects/programs to fund will be based on the ranking of applications against the goals for funding and applicants’ demonstrated ability to successfully implement the proposed project/program.
- Committee recommendations will be made and the slate of awards will be announced at the grant funding meeting.
• All applicants will be notified of the CEPC final action.
• Funds for projects/programs will only be available from July 1 to June 30 of that fiscal year. A request for extension must be submitted by February of that fiscal year.
• Successful applicants will be required to enter into a Project Sponsor Agreement which outlines the responsibilities of both parties. See the example on the following page.
• Applicants should note that liability insurance may be required.
• The applicant agrees to hold the City of Troutdale, Metro and the CEPC harmless from the applicant’s actions.
• Neither Metro nor the City of Troutdale is responsible for any costs incurred in preparing an application/proposal.
• Funds will not be provided in a manner that unconstitutionally promotes or inhibits a religious establishment.
• Projects will be reimbursed for expenses incurred only between July 1 and June 30 of each fiscal year.
• Prior to applying an applicant is responsible for verifying where City fees and/or permits may be required for a project. City permit fees may have a major impact on the project budget. It is up to the applicant to determine what fees or permits are required prior to grant submission. Most importantly, if the project results in any changes or improvement to a property or building, contact planning the department to determine if a Planning or Building Permit is required for the project.
• Any applicant who has failed to comply with the Project Sponsor Agreement for a previous CE Project, or failed to timely file the Project Exit Report, shall be ineligible for subsequent CE Project grants.
