

## **RESOLUTION NO. 2559**

### **A RESOLUTION AMENDING SECTION 3, COMMUNITY DEVELOPMENT, OF THE FEES AND CHARGES SCHEDULE ADOPTED BY RESOLUTION 1954 AND AMENDED BY RESOLUTION 2476 AND 2529**

#### **THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:**

1. On November 13, 2019, the City Council adopted Resolution 2476, which updated the majority of community development fees related to planning activities that were originally established by Resolution 1954. An additional update to fees and charges was implemented by Resolution 2529 to accommodate for overnight parking permits.
2. In the time since the adoption of Resolution 2476, the Historic Landmarks Commission has highlighted the cost of applications for new historic landmarks designation as a hindrance to encouraging eligible properties from applying for local landmark status.
3. In the time since the adoption of Resolution 2476, the sign standards contained within the Troutdale Development Code have been amended to better articulate permitting requirements and allowances for temporary signs, which differ in review complexity than standard signs.
4. In the time since the adoption of Resolution 2476, the fees for street tree installations were discovered to not be restated within the aforementioned resolution, suggesting a future resolution should reconstitute this fee and adjust it to ensure cost recovery.
5. The fees contained within this resolution would address the aforementioned findings in concert with the existing fee schedule.

#### **NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE**

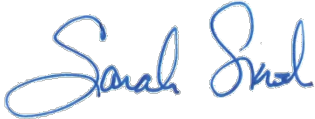

- Section 1. The Community Development-Planning section of the City of Troutdale Fees and Charges Schedule shall be amended as shown in Attachment A.
